THERE'S ONLY ONE THING BETTER THAN BRUNCH...

Bottomless Brunch

£32 PER PERSON

ONE MAIN AND UNLIMITED MIMOSAS

We will bring the fizz and the fruit juices to the table for you to make your own cocktails.

THE RULES

The whole table must go bottomless. There are no exceptions to this.

You have the table for a maximum of 2 hours

You must have a fabulous time!

We will have other guests in the restaurant, and whilst we recognise that as the drinks flow, voices can get louder and we become less inhibited, we want their experience at Nine Jars to be enjoyable too.

We do reserve the right to refuse to serve you if your behaviour becomes a problem to other guests or our members of staff.

We will ask the whole table to leave. While this is a bottomless offering, we do not condone binge drinking.

Visit ninejars.co.uk/bottomlessbrunch for full terms and conditions.
